GARAGE DOOR DESIGN

7 doors, picked by you

These are the doors you saved while designing on your own home. Nothing here is ordered and nothing is committed — it is a record of what you liked, so the conversation can start where you left off.

Carriage Creek

DoorLink · Model Carriage Creek · Carriage House

Your photo, with this door in place. A preview, not a photograph of finished work — the real thing is measured and fitted to your opening.

SPECIFICATION

BRAND	**DoorLink**
MODEL	**Carriage Creek**
COLOR	**Walnut Woodgrain**
WINDOWS	**Madison**
HARDWARE	**Bar Handles & Strap Hinges**
INSULATION	**Insulated**
SAVED	**Oct 27, 2026**

Manufacturer photo

True applied overlay trim raised off the door face casts real shadows, giving the most convincing swing-door illusion we offer. Built for homes where the garage is the front elevation.

Carriage Creek

DoorLink · Model Carriage Creek · Carriage House

Your photo, with this door in place. A preview, not a photograph of finished work — the real thing is measured and fitted to your opening.

SPECIFICATION

BRAND	**DoorLink**
MODEL	**Carriage Creek**
COLOR	**Hunter Green**
WINDOWS	**Madison**
HARDWARE	**Bar Handles & Strap Hinges**
INSULATION	**Insulated**
SAVED	**Oct 27, 2026**

Manufacturer photo

True applied overlay trim raised off the door face casts real shadows, giving the most convincing swing-door illusion we offer. Built for homes where the garage is the front elevation.

Carriage Creek

DoorLink · Model Carriage Creek · Carriage House

Your photo, with this door in place. A preview, not a photograph of finished work — the real thing is measured and fitted to your opening.

SPECIFICATION

BRAND	**DoorLink**
MODEL	**Carriage Creek**
COLOR	**Black**
WINDOWS	**Madison**
HARDWARE	**Bar Handles & Strap Hinges**
INSULATION	**Insulated**
SAVED	**Oct 27, 2026**

Manufacturer photo

True applied overlay trim raised off the door face casts real shadows, giving the most convincing swing-door illusion we offer. Built for homes where the garage is the front elevation.

Aluminum Full-View

Haas Door · Model Aluminum · Contemporary Glass

Your photo, with this door in place. A preview, not a photograph of finished work — the real thing is measured and fitted to your opening.

SPECIFICATION

BRAND	**Haas Door**
MODEL	**Aluminum**
COLOR	**Black**
WINDOWS	**None**
HARDWARE	**Bar Handles & Strap Hinges**
INSULATION	**Insulated**
SAVED	**Oct 27, 2026**

A clean aluminum-and-glass door with slim stiles, light enough to be easy on an opener and bright enough to change how the whole garage feels. Popular on Edmond new builds.

Manufacturer photo

700 Series Recessed Steel

Haas Door · Model 700 · Traditional

Your photo, with this door in place. A preview, not a photograph of finished work — the real thing is measured and fitted to your opening.

SPECIFICATION

BRAND	**Haas Door**
MODEL	**700**
COLOR	**Brown**
WINDOWS	**Stockton**
HARDWARE	**Bar Handles & Strap Hinges**
INSULATION	**Insulated**
SAVED	**Oct 27, 2026**

The 700 Series trades raised panels for recessed ones, giving a flatter, more contemporary face. A good middle ground for homeowners who find raised panel a little dated.

Manufacturer photo

Overlay Carriage House

C.H.I. Overhead Doors · Model Overlay · Carriage House

Your photo, with this door in place. A preview, not a photograph of finished work — the real thing is measured and fitted to your opening.

SPECIFICATION

BRAND	**C.H.I. Overhead Doors**
MODEL	**Overlay**
COLOR	**Bronze**
WINDOWS	**Stockton**
HARDWARE	**Spade Handles & Hinges**
INSULATION	**Insulated**
SAVED	**Oct 27, 2026**

Manufacturer photo

Applied overlay boards build a dimensional carriage pattern with genuine depth and shadow. Pair it with strap hinges and ring pulls when you want the garage to look hand-built.

Stamped Shaker

C.H.I. Overhead Doors · Model Stamped Shaker · Modern Farmhouse

Your photo, with this door in place. A preview, not a photograph of finished work — the real thing is measured and fitted to your opening.

SPECIFICATION

BRAND	**C.H.I. Overhead Doors**
MODEL	**Stamped Shaker**
COLOR	**White**
WINDOWS	**Madison**
HARDWARE	**Spade Handles & Hinges**
INSULATION	**Insulated**
SAVED	**Oct 27, 2026**

Square shaker frames stamped into the steel for the clean cabinet-door geometry that defines modern farmhouse. Looks its best in white, black, or deep green with a top row of lites.

THE NEXT STEP

What a complete quote from us covers

A quote should be one number you can trust, not a door with surprises bolted on later. Here is everything inside ours.

Measurement and fit	We measure the opening, headroom and backroom in person.
Removal and haul-away	The old door, track and hardware leave with us.
The door and the track	Sections, track, hinges and rollers matched to your opening.
Springs sized to the door	Counterbalance set for the finished weight of your door.
Your insulation choice	An honest read on what it does for an Oklahoma garage.
Opener compatibility	We confirm your opener suits the new door before installation day.
Labour and the warranty	Our own crews, with both warranties in writing up front.

Estimates are free

We come out, measure, and tell you what the job needs. No charge for the visit and no after-hours surcharge.

Financing is available
